Introduction

What is malpractice and maladministration?

'Malpractice' and 'maladministration' are related concepts, the common theme of which is that they involve a failure to follow the rules of an examination or assessment. This policy and procedure uses the word 'malpractice' to cover both 'malpractice' and 'maladministration' and it means any act, default or practice which is:

- a breach of the Regulations
- a breach of awarding body requirements regarding how a qualification should be delivered
- a failure to follow established procedures in relation to a qualification

which:

- gives rise to prejudice to candidates
- compromises public confidence in qualifications
- compromises, attempts to compromise or may compromise the process of assessment, the integrity of any qualification or the validity of a result or certificate
- damages the authority, reputation or credibility of any awarding body or centre or any officer, employee or agent of any awarding body or centre (SMPP 1)

Candidate malpractice

'Candidate malpractice' means malpractice by a candidate in connection with any examination or assessment, including the preparation and authentication of any controlled assessments, coursework or non-examination assessments, the presentation of any practical work, the compilation of portfolios of assessment evidence and the writing of any examination paper. (SMPP 2)

Centre staff malpractice

'Centre staff malpractice' means malpractice committed by:

- a member of staff, contractor (whether employed under a contract of employment or a contract for services) or a volunteer at a centre; or
- an individual appointed in another capacity by a centre such as an invigilator, a Communication Professional, a Language Modifier, a practical assistant, a prompter, a reader or a scribe (SMPP 2)

Suspected malpractice

For the purposes of this document, suspected malpractice means all alleged or suspected incidents of malpractice. (SMPP 2)

Purpose of the policy

To confirm Redborne Upper School:

- has in place a written malpractice policy which covers all qualifications delivered by the centre and details how candidates are informed and advised to avoid committing malpractice in examinations/assessments, how suspected malpractice issues should be escalated within the centre and reported to the relevant awarding body (GR 5.3)

General principles

In accordance with the regulations Redborne Upper School will:

- Take all reasonable steps to prevent the occurrence of any malpractice (which includes maladministration) before, during and after examinations have taken place (GR 5.11)
- Inform the awarding body immediately of any alleged, suspected or actual incidents of malpractice or maladministration, involving a candidate or a member of staff, by completing the appropriate documentation (GR 5.11)
- As required by an awarding body, gather evidence of any instances of alleged or suspected malpractice (which includes maladministration) in accordance with the JCQ publication **Suspected Malpractice - Policies and Procedures** and provide such information and advice as the awarding body may reasonably require (GR 5.11)

Redborne Upper School has in place:

- Robust processes to prevent and identify malpractice, as outlined in section 3 of the JCQ publication **Suspected Malpractice: Policies and Procedures**. (SMPP 4.3)

Informing and advising candidates

Advice will be given by classroom teachers, during the course, when beginning NEA work. Teachers will have read the JCQ document 'Teachers & Assessors - AI Use in Assessments: Protecting the Integrity of Qualifications'. This will also be reinforced by the head of year 11, through the assembly programme. When students are signing the declaration form, this will again be explained to students.
